WELCOME

Dr. Michele Cantwell-Copher

Fresno County Superintendent of Schools

Welcome to the 43rd annual Fresno County Academic Decathlon! The Office of the Fresno County Superintendent of Schools is proud to host this esteemed event in partnership with Fresno State, Fresno Unified School District, and our valued partnering districts. We are especially grateful to ERC, our presenting sponsor, whose support and generosity make this event possible. Your commitment to education and the success of our students is truly inspiring.

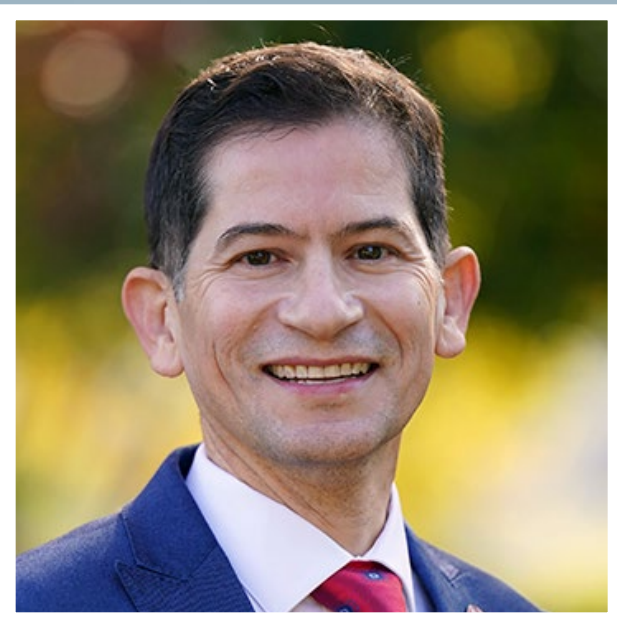

This year's theme, "Our Changing Climate," invites students to explore one of the most urgent challenges of our time: the impact of climate change on our planet and the innovative solutions being developed to address it.

The Super Quiz is the culmination of months of hard work and preparation by our exceptional students. To all our participating students: you are extraordinary! Your determination and

commitment to this rigorous process reflect the pride and excellence of your schools.

A special thank you goes to our teachers, dedicated coaches, families, and volunteers who make this event possible. We are also deeply appreciative of the generosity and support of all our sponsors, whose commitment to education creates opportunities for these exceptional students. In particular, we thank Educational Employees Credit Union, The Foundation at FCOE, California State University, Fresno, Fresno Unified School District, Johanson Transportation Service, and Citizens Climate Lobby for their contributions and dedication to our mission. Your collective support underscores the power of community partnerships in advancing student success.

Enjoy the event and thank you for joining us to celebrate this remarkable showcase of learning and achievement!
