WELCOME

Dr. Michele Cantwell-Copher
Fresno County Superintendent of Schools

Welcome to the 44th Annual Fresno County Academic Decathlon!

I'm thrilled to welcome you to this year's Fresno County Academic Decathlon. The Office of the Fresno County Superintendent of Schools is proud to host this event in partnership with Fresno State, Fresno Unified School District, and our participating school districts. A big thank you to ERC, our Premier Sponsor, whose generosity helps make this event possible and keeps opportunities like this alive for students across Fresno County.

This year's theme, The Roaring Twenties, takes us back to a transformative decade filled with innovation and change. From history and literature to science and economics, our students have spent months diving into this pivotal era and bringing it to life through their hard work and teamwork. The Super Quiz is the exciting finale where all that preparation truly shines.

To our students, you are the heart of this event. Your dedication and curiosity bring the Academic Decathlon to life, and I'm incredibly proud of the hard work you've put into this one-of-a-kind challenge.

I'm incredibly grateful to the teachers, coaches, families, volunteers, and sponsors who support our students every step of the way. A special thank you to Educational Employees Credit Union, The Foundation @ FCOE, Fresno State, Fresno Unified School District, and Johanson Transportation Service for investing in our students and their success.

Enjoy the competition, cheer loudly, and have fun as we celebrate knowledge, teamwork, and the remarkable talent of Fresno County's students. Thank you for joining us for the 44th Annual Fresno County Academic Decathlon!

Dr. Saúl Jiménez-Sandoval
President, California State University, Fresno

As one of California's premier universities, Fresno State is proud to host the Academic Decathlon!

Fresno State offers world-class instruction – you won't be a generic number with us, as you'll get to know our phenomenal faculty, who will inspire you to build a fruitful career. The opportunities are endless!

Aside from developing the best version of yourself as a Bulldog, you'll soon realize Fresno State is a really fun university!

California State University, Fresno has established the exceptional Smittcamp Family Honors College, which encourages high achieving students to pursue

academic excellence and service to the community. To this end, student decathletes and other talented students can continue to be intellectually challenged at the university level, without leaving the Fresno area.

We invite you and your families to take the time to explore the excellent learning opportunities available at our university. You are outstanding role models who are part of the next generation of leaders for the Central Valley and beyond.

Have a challenging and enjoyable day!

Championing the work that supports *student excellence!*

ERC proudly supports the students participating in the 2026 Academic Decathlon

To the students competing this year: your focus, discipline, and commitment to learning are on full display. The Academic Decathlon challenges you to think deeply, prepare intentionally, and show what you know across subjects that demand both knowledge and confidence.

We wish you all the best!

COLLEGE OF ARTS & HUMANITIES

Dr. Honora Chapman

Dean, College of Arts and Humanities

All of us in Fresno State's College of Arts and Humanities congratulate this year's Academic Decathlon students for reaching this exciting day! We are proud to collaborate with the Fresno County Superintendent of Schools in offering lectures from Fresno State experts on this year's theme. Ranked #2 in the nation by Washington Monthly on the list of 2025's Best Colleges for Your Tuition (and Tax) Dollars, Fresno State offers a world-class education with renowned faculty who actually teach and mentor undergraduates. Through Academic Decathlon, you're now a Fresno State Bulldog, and we look forward to you joining us for college!

Dr. Matthew Darling

Acting Associate Dean, College of Arts and Humanities

The College of Arts and Humanities at Fresno State wholly supports the mission and vision of Academic Decathlon to offer high school students in our region the opportunity to excel academically. With our dedicated and talented faculty, Fresno State provides the perfect partner to Academic Decathlon's curriculum to help students grow intellectually and achieve academic success. High school is the crucial beginning of a transformative journey that leads through college to a fulfilled life of learning and of contributing to your community. We at Fresno State are proud to be part of that journey with you and encourage you to continue to grow and thrive through intellectual engagement and discussion.
